Honorable Jack Brooks, Chairman
Committee on Government Operations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

This is in response to your request for the views and recommendations of this Agency on H.R. 3790 and H.R. 3800. Both bills amend the cost-of-living adjustments in the Internal Revenue Code of 1954 and in benefits under certain entitlement programs.

We are formulating our position with respect to these bills, and will send you our report as soon as it has been appropriately coordinated within the Executive Branch.

Sincerely,

/s/ Clair E. George

SUBJECT: Letter to Chairman Brooks re H.R. 3790 and H.R. 3800					

NOTES

D/OLL:

Jack Brooks asked the DCI to opine on these two bills -- one would limit cost-of-living adjustments ("COLA") in CIARDS, Civil Service and Social Security, the other bill would eliminate COLA in these programs altogether. I have provided these bills to the DDA and ADDA and requested their views. Upon receipt of their views, I will draft a views letter which we must clear with OMB prior to transmittal to Chairman Brooks. This letter serves as an interim response.

Clair: I understand that's routine.

assessment is real, despite our strong negative views, now in preparation, the Administration will not go along.
